With our dedicated and passionate team of talented designers, technicians, engineers, project managers, project coordinators and installers, we have spearheaded over 20k projects, for eminent clientele spanning across Myanmar. We really appreciate the professional service and high quality products for our recent and completed projects.

"We pride ourselves in our attention to detail. Our clients most demanding standards are met by our makers relentless perfectionism. We value human resources, so, we make the importance of workplace safety as well as some of the best practices for ensuring safe work environments, including workplace safety communications."

We combine our passion for great design with our experience to achieve the highest standard of joinery to meet the needs of your project. It is our job to translate the idea into a production ready design and then manage the project through to successful handover.

We display an outstanding track-record of design-excellence, coupled with service efficiency, responsiveness and a strong commitment towards project deadlines as well as budgetary constraints. With experience working on contracts of all sizes and budget, we bridge the gap between design and production. We make to get the best product at a price to suit your budget.

”

ADVERTISED PRODUCT DISTRIBUTION

Idea Box; entails making the advertising product available for purchase by dispersing it through the market. It involves packaging, inventory management, order processing, logistics, and communication. Distribution is fundamental to a company's sale. We purchase products, store them, and then sell them through a distribution channel. We enhance a company's exposure in the product market and can give an edge in terms of speed and efficiency.

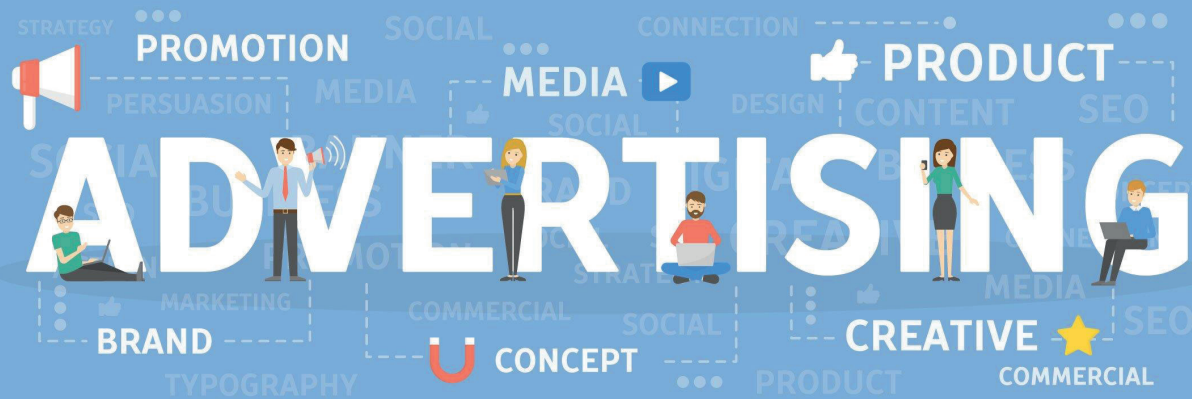

We implement our product distribution channel to ensure truly successful a continuous feedback loop with the best possible services for manufacturers and customers who are always happy.

ADVERTISING

Idea Time Advertising Agency, create the ads, plans how, when and where it should be delivered and hands it over to the client. We are a group of people expert in particular fields, thus helping the companies or organizations to reach their target customer in an easy and simple way.

We serves for creating an advertise on the basis of information gathered about product, doing research on the company and the product and reactions of the customers, planning for type of media to be used, when and where to be used, and for how much time to be used and taking the feedbacks from the clients as well as the customers and then deciding the further line of action.

"Steps involved in the process of advertising:
 Briefing, Knowing the Objective,
 Research, Target Audience,
 Media Selection, Setting the Budget,
 Designing and Creating the Ad, Perfection
 Place and Time of Ad, Execution, Performance."

We sincerely welcomes domestic and international companies to visit, work together, share cooperation, win-win future.

DEVELOPMENT PROJECT EXECUTION

We establish a complete understanding of all factors affecting the client's portfolio, identifying their impact, analyzing space strategies and modelling various possibilities scenarios. This comprehensive approach allows a delivery of innovative, sustainable solutions, enhancing the quality of the intervention along with the environment.

The principal phases of development project planning process are:

1. Preparatory / exploration phase
2. Feasibility / planning phase
3. Formal planning / zoning phase
4. Design and implementation phase
5. Operational phase

We implement the development project with our valuable partner.

OUR CLIENTS

A true partnership is a two-way street — ideas and information flow openly and regularly, based on a foundation of mutual trust and respect for one another’s expertise — and our clients embrace this philosophy. The best and most productive relationships are synergistic and goal-oriented, and a long-term relationship has the value add of deep-rooted industry and company knowledge and relationships.

OUR TEAM

Bringing ideas to life is at the core of our business. Together we are a highly skilled team of designers, engineers, technicians and tradespeople. From start to finish we ensure that every element of the process is carried out to the best of our ability, regardless of budget. From design project management, right through to finishing and installation.

Connecting the client's brief with what the Idea Time's team has to offer, we are very much focused on exceeding the client's expectations. This is achieved through a transparent and collaborative approach to work, as well as a serious commitment to quality.
