

# COMPANY PROFILE

**CLIENT FOCUS**  
TECHNOLOGY GROUP CO.,LTD

## Company Background

**CFTG**, Incorporated in 2005, is a Building Materials Trading, IT and OA Distribution Company in Myanmar.

**CFTG** businesses were originally operated by a Foreign based company since 1992. In 2005, the organization was taken over in its entirety by a core group of management staff.

Since then, the original business portfolio and management have been reorganized. Coupled with strong support provided by a Singapore based marketing organization in matters relating to, equipment agencies and logistics, **CFTG** has achieved a quantum leap in growth over the past 10 years.

Today, in succession of 10 years of glorious business operation together with over 100 staff members , **CFTG** has now emerged as premium supplier of IT/OA, Equipment & Building Materials in Myanmar and continues to achieve its business objectives with absolute competency, meeting the increasingly high level of requirements and expectations of our customers and suppliers who are keen to forge strategic partnership with us in all business endeavors.

The right side of the slide features a complex, abstract graphic composed of overlapping, semi-transparent blue triangles and polygons in various shades of blue, ranging from light sky blue to deep navy blue. The shapes are layered, creating a sense of depth and movement. A thin, light blue line also extends from the bottom left towards the center of the graphic area.
